

**“But a seatbelt  
constricts  
my movement!”**

**That's the point.  
And it's the law.**

**42%**

of law enforcement  
officers killed in fatal auto  
accidents since 2004 were  
not wearing the seat belts  
that could have saved  
their lives. The seatbelt  
law applies to you too.

**Wear your  
belt**
